Linda Guerrero

PHYSICIAN ASSISTANT

PROFILE

Worked independently as a PA and clinic owner in Midland, TX but ready to resume patient care as part of a busy practice in Austin. Skilled in providing both medical and aesthetic services. Ability to listen to patients to understand and address their individual concerns. Proficient in cross-selling other clinic services and procedures to patients. Passionate about making a difference in the lives of my patients.

WORK EXPERIENCE

PHYSICIAN ASSISTANT OWNER

REVIVE MEDSPA, Midland, TX | 2006 – 2018

Owned and managed a medical spa offering both medical and aesthetic services. Provided all medical services and managed employees needed to provide efficient operation of cash-based clinic. Developed and maintained office website and other social media to help grow the practice along with word of mouth referrals. Engaged new patients in thorough consultations to determine most effective treatment plans.

- Performed hundreds of injections of dermal fillers as well as neurotoxins to volumize the face and minimize the effects of aging
- Provided medically supervised weight loss program along with monthly follow up to help patients lose weight and maintain their new healthier lifestyle
- Enabled patients to restore vitality via bio-identical hormone replacement. Performed hundreds of BioTe pellet insertions and increased revenue 40%
- Provided expert skin analysis, performed appropriate medical procedures including laser, microdermabrasion, and chemical peels
- Assisted patients in the management of chronic disease through a healthier lifestyle concurrent with weight loss and bio-identical hormone therapy
- Treated patients for sick visits, did school physicals for high school athletes
- Retailed skin care products and vitamins to enhance in-office procedures

PHYSICIAN ASSISTANT OWNER

REVIVE MEDSPA, Odessa, TX | 2005 – 2006

Established the first PA-owned medical spa in the Permian Basin initially specializing in weight loss and bio-identical hormone therapy. Managed three employees along with daily operations. Added services such as laser hair removal, massage therapy, and permanent makeup. Introduced retail sales of vitamins and skin care. Lease expired and moved the office to Midland.

WORK EXPERIENCE CONTINUED

PHYSICIAN ASSISTANT

WEIGH OF LIFE CLINIC, ODESSA, TX | 2004 – 2005

Responsible for management of patients and staff for a well-established weight loss and bio-identical hormone clinic

- Tended to at least 40 patients per day in Odessa office, managed their progress, wrote prescriptions, provided counselling
- Treated patients at clinic in San Angelo location twice monthly
- Worked independently except for consultation with physician by phone in establishing treatment plans for new hormone patients
- Supervised three employees in Odessa and one in San Angelo
- Ordered lab tests, interpreted results, adjusted treatment plans as needed
- Departed to open the first medical spa in Odessa

PHYSICIAN ASSISTANT

FAMILY CARE CLINIC | 2003 – 2004

Physician Assistant for a busy internal medicine practice. Treated patients with a variety of chronic conditions such as diabetes and hypertension. Counseled patients on exercise, nutrition, and healthier lifestyle to better manage their conditions. Provided guidance to physician on employee issues as well as plans to open a medical spa

- Performed physical exams, made diagnoses, formulated treatment plans, wrote prescriptions
- Ordered and interpreted lab tests, wrote hospital admission orders
- Performed minor procedures such as suturing, incision and drainage
- Performed DOT and school physicals
- Departed to join a practice specializing in weight loss and bio-identical hormone therapy, my areas of special interest
