## **EMPLOYMENT SUMMARY**

### **Michael E. Debakey Veterans Affairs Medical Center in Houston -**

*Geriatric Physician Assistant Resident*

1/2018 - 1/2019

Physician Assistant Resident in a large, busy urban hospital. Duties included taking histories, performing physical examinations, ordering and interpreting pertinent diagnostic studies, diagnosing disease and injury processes, formulating a treatment plan and presenting assessments and plans to clinical preceptors. Educational opportunities included lectures, journal clubs and morbidity and mortality conferences. Will be presenting a Grand Rounds lecture on Caregiver Strain in Jan 2019. Rotations are listed below:

- Geriatrics Outpatient Clinic 8 Weeks
- Long-Term Care - Community Living Center 4 Weeks
- Hospice and Palliative Care 4 Weeks
- Geriatric Intermediate Care (SNF) 4 Weeks
- Wound Care 8 Weeks
- Home Based Primary Care (HBPC) 4 Weeks
- Geriatric Psychiatry 4 Weeks
- Community-Based Outpatient Clinic (CBOC) 4 Weeks
- Neurology 4 Weeks
- Orthopedics (pending) 4 Weeks

### **Burleson Family Medical Center - Physician Assistant**

11/2016-11/2017

Primary care provider in a community health clinic. Involved in all aspects of patient care across the life-span, including: detailed history, physical examinations, development and implementation of treatment plans, prescription of medications, ordering and interpretation of laboratory tests and diagnostic studies.

## **RELEVANT VOLUNTEER EXPERIENCE**

### **Mission Arlington Medical Clinic - Volunteer**

12/2012 - 4/2014

Volunteer at a free medical clinic treating underserved patients in the Dallas Fort Worth metroplex. Duties included patient intake, data entry, triage and training new volunteers. Assisted medical providers in procedures including ingrown nail removals and resection of lipomas and keloids.
